Roberts, who died in 2003, was a professor at Oxford University as well as visiting professor at Princeton and Yale. His viewpoint is primarily European, but he also has an understanding of U. S. History even though it receives less attention in this history than it does in most world histories written by Americans.

The New Penguin History of the World
J.M. Roberts has written an excellent short and readable synopsis of the history of humanity from earliest times until most the most recent era. I have not read the longer versions of his world history (of which A Short History is a condensation), but this title contains a wealth of material.
