Quality Remanufactured Engines - Better Than Rebuilt ...

Jeep 4.0L Engine Specs. Jeep's 4.0-liter, inline-six engine was quite legendary. Not only did it provide outstanding power relative to other engines in its class in the early years, but it also delivered outstanding reliability -- save for some common oil leaks -- and its production ran from 1987 through the 2006 model year. The only 2006 Jeep model to still use this venerable engine was the Wrangler.
