Fool For Love. May, Eddie, and the Old Man are on stage when the lights come up—the Old Man separated physically from May and Eddie either on a different platform or another dividing convention of the set. In a low-budget motel room on the outskirts of the Mojave Desert where May has been living, Eddie and May sit without speaking to each other—she with her head between her knees over the side of the bed, and he in a chair.

Many make up their own idea themselves, but we may never know. This lack of knowledge can make us feel powerless in our everyday lives. Things like tough childhoods and oppression can make us feel even lower, making our sense of right and wrong fade into a grey area. In Sam Shepard's play, Fool For Love, the characters May and Eddie battle to have the power to control each other because of their traumatic childhoods, which lessens their morality, letting their incestuous relationship continue.
