LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Samsung Ue40b8000

Not so with the Samsung UE40BB000. Here the frankly astonishing depth of less than 3cm has been achieved with all of the electronics onboard. Those electronics include a 200Hz Motion Plus processor, four HDMI inputs, two USB sockets, internet connectivity, and Samsung's much-hyped LED backlight. Calibration is a bit of a chore
