SHMS - Strategic Healthcare Management Systems

Every four years, HHS updates its strategic plan, which describes its work to address complex, multifaceted, and evolving health and human services issues. An agency strategic plan is one of three main elements required by the Government Performance and Results Act (GPRA) of 1993 (Pub. L. 103-62) and the GPRA Modernization Act of 2010 - PDF (Pub. L. 111-352).

Overview: HHS Strategic Plan, FY 2018-2022 | HHS.gov

Although strategic planning can help hospitals manage changes from new rules and regulations, it presents its own challenges. "Strategic planning works best when the marketplace is either in a stable trajectory or a known trajectory. The current healthcare environment is neither," Mr. Trimarchi says.
