**The Code of the City : Eran Ben-Joseph : 9780262524452**  
In The Code of the City, Ben-Joseph discusses how standards and codes have shaped - and ossified - the urban form. That we need building standards and codes is clear; the standards and codes that govern urban development - on sewage management, building materials, land subdivisions, road layouts, etc - have their roots in the pursuit of economic efficiency and public health and safety.
