Rhino Glue is an extremely strong glue and will work well to put on all your patches. We glued patches on a vest using Rhino Glue and it worked well.... very well. Our test vest withstood wash/dry cycles without a problem. So if you like us and can't sew, Rhino Glue will get the job done. D.J., Auburn, CA.

### Testimonials - Rhino Glue

What I did was take the small bottle brush and applied Rhino Glue in four inch sections between the canvas top and the window edge. Once the glue is in place, just apply light pressure on the area until dry. It took about an hour to do the whole job, but the window was solidly in place with no excess glue on the glass.
