Luxembourg, country in northwestern Europe. One of the world's smallest countries, it is bordered by Belgium on the west and north, France on the south, and Germany on the northeast and east. Luxembourg has come under the control of many states and ruling houses in its long history, but it has been a separate, if not always autonomous, political unit since the 10th century.

Luxembourg | History - Geography | Britannica

They picture fairytale castles and churches with towering spires and narrow roads winding through quaint little villages. The average person doesn't picture "bush, bush, tree, fisherman." But Attila, the hotel manager on the AmaPrima, was right — we were headed into a different part of Europe.
